Plantation Bay uses glycolic, salicylic and lactic acid peels that are blended with complimentary botanicals designed to achieve desired results chosen for your skin type. Professional exfoliation through skin peeling does not penetrate beyond the epidermis and some health and skin conditions are not appropriate for all peels.

Acneic Skin Treatment Facial

Classic European facial is combined with a botanical-based peel to remove excess oil, and pore blockages; red, mottled skin is calmed and skin tone improved.

90 Minutes \$95

Age-Resist Treatment Facial

Classic European facial is combined with a botanical-based peel to stimulate cell renewal, refine the skin's texture and improve hydration resulting in firmer, younger-looking skin.

90 minutes \$95

Sensitive Skin Treatment Facial

Classic European facial is combined with a botanical-based peel to enhance blood circulation, accelerate tissue repair while brightening and balancing the skin tone.

90 minutes \$95

Deep Cleansing Exfoliation

A gentle, peel specific to your needs offers visible results for aged, sun damaged, acne-prone or hyperpigmented skin—lines and wrinkles appear finer and blemishes are diminished; multiple treatments produce best results.

Deep-Tissue Massage

Ideal for sufferers of chronic muscle tension this technique uses slower strokes and more direct, deep pressure with friction applied across the grain of the muscles to relax the deeper layer of muscular tissue.

60 minutes \$70

Aromatherapy Massage

Essential oils are chosen to address your specific wellness needs and are combined with a fusion of several massage modalities to heal the body, mind and spirit.

60 minutes \$75

Nail Services

The Spa at Plantation Bay offers a waterless pedicure and manicure experience, which eliminates the risks associated with traditional pedicures, and all nail services are performed in a private treatment. Instead of water, sanitizing cleanser is used then removed with warm towels; specialty creams soften the skin to help smooth and exfoliate; followed by nail shaping, cuticle conditioning, massage, moisturizing of the skin and polish of your choice.

Waterless Manicure

60 minutes \$20

Waterless Pedicure

60 minutes \$30

PB Signature Mani-Pedi Combo

Waxing Services

All waxing includes pre-wax skin preparation and post-wax skin soothing products. The hard and soft waxes used are formulated to be warmed on low heat making their creamy texture less brittle and sticky than traditional wax, thus making the process gentler to the skin and your experience more comfortable.

Important Information

Gift Certificates are available in any denomination for spa services.

Non-members may use spa services, but are subject to a guest fee in addition to the service fee.

New clients please arrive 10 minutes prior to your scheduled appointment to allow time to complete appropriate paperwork. Arriving late to an appointment could reduce your treatment time, but adjustments will not be made to the pricing of your service.

Gratuity is not included in any service and is left to your discretion. As a guideline, a 15-20% gratuity is customary for exemplary service.

Therapists are available during The Spa & Fitness Center hours; however, appointment times vary depending on therapist availability. Some skin and/or health conditions may exclude some individuals from certain services.

Because appointments are reserved specifically for you, we require that you notify us 24 hours in advance should you need to cancel or reschedule an appointment. Cancellation or changes with less than 24 hours notice will be charged 50 percent of the service fee. All no-shows will be charged 100 percent of the scheduled fee.

Plantation Bay proudly uses Eve Taylor skin care; these high-quality products are available for purchase at The Spa & Fitness Center.

Developed in London, Eve Taylor launched the first aromatherapy-based skin care line in 1968. All of Eve Taylor's products use pure, natural essential oils and are non-comedogenic. The products do not contain any mineral oils, SD alcohols, synthesized oils, parabens, artificial additives, nor are they animal tested.
