Dear Members,

The upcoming season has a full calendar of choices for golf, tennis, pickleball, fitness and social events, so mark your calendars and join the fun. The resounding comments relayed to me from our new members include not only the incredible amenities and activities offered by the Club but

also the warm welcome they receive from neighbors and fellow members. This is certainly a testament to the very special circle of friends formed in the community, there is nowhere like Plantation Bay. The hospitality and unique lifestyle is second to none.

Please join me in welcoming our newest members and best wishes for a great season ahead. On behalf the entire staff, thank you for your support and we look forward to continuing to enhance your Club experience.

# Welcome

## From the desk of . . . Greg Brousse, Managing Director

Dear Plantation Bay Members,

I hope everyone had a wonderful 2017!

2018 is gearing up to be an amazing year in Plantation Bay. First and foremost the renovation of Prestwick and Westlake golf courses will start this spring. The Westlake renovation will include changing the greens to tiff eagle as well as adding new sand to the bunkers. The Prestwick renovation is a bit more extensive as we are changing all tees and fairways to celebration grass and the greens to tiff eagle. The sand traps will also have all the sand removed and new sand installed. When complete Plantation Bay will stand alone as one of the finest golf course communities in the country.

In addition to the renovation at Prestwick we will be building a new comfort station between holes 13 and 14 at Prestwick. This will also serve as a lightening shelter and will also include a new water station.

At Club de Bonmont plans have been submitted for a new Golf Teaching Center that will have all the latest and greatest in golf instruction technology. The new building will also include a club fitting center with all the latest in golf equipment.

This is just the start of many great things that are being worked on in Planation Bay. We are looking forward to seeing our members enjoy some drinks at the new Poolside Cabana and having our tennis members enjoy a new shaded area at the tennis gathering area.

In closing I wish everyone a Happy and Healthy New Year and look forward to seeing everyone at the Club.

Sincerely,  
**Gregory P. Brousse**, Director of Operations

# TURF TALK

Hopefully by the time this newsletter comes out, the rains will have eased and the weather will be cooler. That means the growth of the grass will also slow down, and we "won't be bailing hay," as we say! We will then be able to concentrate on doing some other projects during the cooler months. We will be continuing to add drainage to all the wet areas and clean up the outer edges of the courses.

We have recently overseeded Prestwick greens and they should be full and nice by the time this letter comes out. We also recently completed the irrigation upgrade at Prestwick.

I would like to thank the members for the positive comments and for fixing ball marks and divots. It makes a difference!

Thanks again,  
Bob Gruber

## PLANTATION BAY NINERS

The Niners enjoyed a fun-filled Holiday Season. In November, we welcomed husbands and friends to our Fall Sadie Hawkins Scramble and dinner. In December, we had a great time playing in the annual Holiday Scramble with PWGA and CDBWGA. Also in December, Mary Crawford and her committee did an outstanding job planning a festive holiday themed dinner and golf event for members from seven neighboring clubs at our Coastal Niners Invitational. The Niners annual Cookie Party, hosted by Linda Young, generated over 100 dozen cookies, which were donated to St. Anne's Pantry. We also brightened the holidays for clients of the Council on Aging with gift baskets and calendars.

The Niners welcomed new members, Lynne Kiesel, Rhonda Brock and Virginia Kiefer. If you are a golf member who would like to play nine holes with a fun-loving group of women please join us. We play CDB 9:30 am on Thursdays and 10:15 am at Prestwick on Mondays.

As spring approaches, we look forward to our Member/Guest tournament. We will close our season with our Niners Championship game followed by an awards ceremony at our annual Margarita party.

*Kathleen Walter, President*

## CLUB de BONMONT WOMEN'S GOLF ASSOCIATION

December was a busy (and very social) end to 2017 for CDBWGA. Our popular Member/Member Tournament was well attended and competitive! During our Holiday Scramble, we joined with friends from both PWGA and the Niners for a spirited event. AND, we had a Red vs. White Match Play event, with pairings party the night before.

During the first quarter of 2018, we will continue individual, team and match play events, held weekly each Thursday, with a 9:00 shotgun start. Major tournaments during this time include a partnered Six-Six-Six event, our two-round President's Cup (also partnered), and a Green & White Match Play Tournament hosted by Prestwick WGA, with (you guessed it), a social the evening prior.

If this all sounds like great fun, it IS! We continue to welcome new members to our league. If you are interested in joining, please check out our bulletin board in the hallway outside the Pro Shop at CDB for details. We would love to have you! It's a great way to have a weekly game, meet new people in our community, and improve your golf skills.

See you on the course!  
*Liz Berdoll, Secretary*

## PRESTWICK WOMEN'S GOLF ASSOCIATION

Now that "autumn" in Central Florida is behind us, it is time to look ahead to what the Prestwick Women's Golf Association has planned for December, January and February. Lots of good golf and camaraderie to look forward to: December 5 features a Red & Green Match Play, followed by a Holiday Scramble with CDBWGA and Niners. Come January, shotgun starts begin at 9:00 am for the next two months. January 9 features our annual 6-6-6, Pick a Partner within 10 Strokes, followed by Mystery Nine game on Jan 16 (the pro shop staff selects nine random holes for scoring). The January 23 O-N-E-S game will count gross scores on holes 1,6,7,8,9,11,16,17,18. Don't forget to pick a partner for our Member/Member two-round event on February 6 and 13, followed by our annual Red vs. Pink Match Play on February 20 and Odd Holes on February 27.

Back to 8:30 am shotgun starts, March 6 features the First Annual Swing into Spring Shootout, a "pick your partner" event. March 20 features our annual Green vs. White Match Play, with a pairings party the night before. The following Tuesday, we will Bunny Hop-Hop for one best net on even holes and two best net on odd in foursomes.

PWGA wants to thank Dawn Laylock for shepherding us along, overseeing our tournaments and cheering us on as we play and work to improve our games. Dawn is a very special leader in PWGA, and we sincerely appreciate her support of every one of our members!

## Dave's Tennis Tips

By Dave Brown  
USPTA Master Professional

### 10 WAYS TO IMPROVE YOUR GAME WITH THE PLAYMATE BALL MACHINE

Our Playmate Volley ball machine can do just about everything you can think of to improve one's tennis game.

- 1) It can vary the speed, height, direction, spin and frequency.
- 2) It can provide a consistent feed so you can improve rhythm and timing. This can be a big help if you have been out of tennis for a while.
- 3) Set up some topspin or under spin to help get used to playing against those "slicers and dicers".
- 4) Use targets to help improve accuracy and consistency.
- 5) Tennis naturally combines aerobic and anaerobic exercise. With remote control comes the opportunity to pause the machine and create realistic and game like situations. If your intensity is high and you recover between sequences, your workout can push both aerobic and anaerobic limits.
- 6) Partners can practice together using oscillation either in the backcourt (groundstrokes) or at the net (volleys and/or overheads).
- 7) Partners can also set up the machine to serve. One partner returns and the other works on poaching the return.
- 8) Don't forget specialty shots. Let the machine feed you a short ball and work on hitting deep approach shots. Then from the same short ball practice drop shots.
- 9) Last but not least, set up high deep balls to your backhand and master the lob. This shot is highly underrated. Knowing the difference between offensive and defensive lobs can win matches!

Finally, if I've peaked your interest, and want some personal tips on how to set up a few of the scenarios I have outlined above, call me. I'm happy to help. I can be reached at 386-236-4292 or email me at [dbrown@icihomes.com](mailto:dbrown@icihomes.com)

## MEMBER SPOTLIGHT

**Tom Schnatz** When Tom started to look for a second home outside of New Orleans to retire to, he didn't want to go it alone. Therefore, he and his wife, Darlene, brother Phil, and sister-in-law Karen, came to Central Florida and found Plantation Bay. Both couples loved the ambiance, the golf courses, close proximity to the beach, and of course tennis. Tom is an avid tennis player and served as one of the club's most successful team captains. Along with the amenities here at the club, Tom says he thoroughly enjoys the social life and the friendships he has made here.

Not many people know that Tom has a Ph.D. in nuclear engineering and devoted his talents in technical engineering and environmental affairs for Power Entergy in Louisiana. He is most proud of his service to his community especially during the aftermath of Hurricane Katrina.

## TENNIS IS POPPING

We started "POP" tennis last season and had a lot of fun. This is short court tennis on our clay courts with a racquet paddle and pressure less tennis ball. Play all the same rules of tennis except only one underhand serve. Even score the same as tennis. Imagine that!! We meet every Tuesday & Thursday from 2:30 p.m. to 3:45 p.m. Join us!

## TENNIS START/ RESTART PROGRAM

Start the year off right with your new resolution to TRY – LEARN – PLAY tennis! Maybe you just need a little push to restart your tennis engine. Join me for a series of Start/Restart lessons to bring you into tennis gradually and safely and have fun doing it. Days and times are flexible, so call me and set up a free evaluation to get you started. My phone # is 386-236-4292 and email is [dbrown@icihomes.com](mailto:dbrown@icihomes.com)

## 10<sup>th</sup> Anniversary Celebration

Happy New Year! It's hard to believe we are starting another year. Our ten-year anniversary celebration was a great success! Everyone had a great time.

Mark your calendars! Saturday, January 6th, marks our Annual Polar Bear Plunge. It will take place at 12:00 noon. Start your New Year off with a refreshing dip followed by warm libations and special treats. Hope to see plenty of new faces!

With each New Year, there are always ideas for making some changes. Let's talk about the anatomy of habits...

"A habit is an automatic behavioral pattern that occurs in response to a situation where a particular behavior has been performed repeatedly and consistently." A habit is more than just a repetitive behavior, it is a construction of three sequential components that make up the habit loop. Those three components are the cue, the behavior and the reward.

The cue is an environmental or internal trigger that provokes us to learn a new behavior. An environmental cue would be the chime you hear when you get in your car that signals you to put on your seat belt. Internal cues are related to mood. The behavior is that actual routine we commonly think of as the habit. The reward, or incentive, makes the behavior stick. In order for a habit to change, you must find a way to create the similar cues and rewards, but by performing a different behavior.

Try following this six-step approach to creating new, goal-oriented habits for the New Year:

**Establish Goals and Milestones.** Goals need to be realistic and attainable. If, for example, you want to lose 60 pounds, your first milestone would be to lose the first 5-10 pounds and continue from that point.

**Identify motivational factors.** To be motivated is to be moved by something.

**Choose a goal-oriented behavior.** You must select the behavior yourself vs. having someone decide it for you.

**Create the cue and reward.** List a few cues, select the one that will be the most successful and make sure the reward carries value to you.

**Eliminate Disruptors.** A disruptor is a factor that may inhibit, slow down or prevent the desired outcome.

**Follow up.** Establish a system for accountability.

The Wellness Center has it all! At the end of each day, if you need some pampering and relaxation, be sure to check out the spa services offered. We also have a Certified Personal Trainer and Nutritionist who can help you identify your needs so you can meet your goals. Stop in and see us!

## **Happy New Year! CHEERS! Let's DINK right into 2018!**

What's a DINK? According to the Oxford English dictionary, it's a softly struck hit or kick of the ball that drops abruptly to the ground. For example, "She hit a brilliantly controlled backhand dink over the net."

Here are some dinking strategies for Pickleball players:

### **Where do you stand?**

You want to be standing as close as possible to the kitchen line. You also want to be leaning forward toward the kitchen. It is much easier to attack the ball hit from your opponent when you are in the proper position. One worry would be the potential for your opponent to hit a lob, so keep a close eye on the face of the paddle as he or she contacts the ball. If you see an open-faced paddle, take a step back and get ready.

**Grip Pressure:** Grip pressure controls a lot of your game. On a scale of 1-10 (10 being the tightest), it is recommended that your grip for dinking be between 3-4. The ball will stay on your paddle for a fraction of a second longer to give you more feel and consistency. The mark of a good dink is that it should be un-attackable.

**Executing the Shot:** Ideally, you want to make contact with the ball in front of your body. This is called the impact zone. You also want to dink towards your opponent's backhand because it is most likely weaker than the forehand. Lastly, try to dink cross court, which is over the lowest part of the net.

**Pickleball Beginner Clinics** are offered on Wednesdays, 2:00 p.m. - 3:00 p.m. Please sign up in advance.

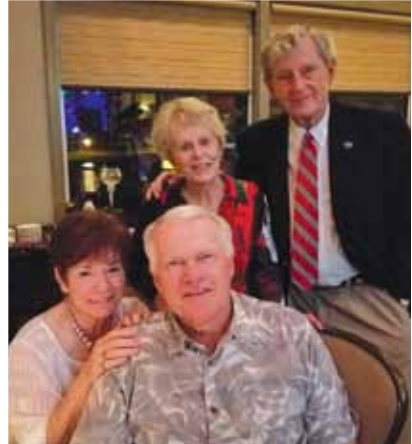

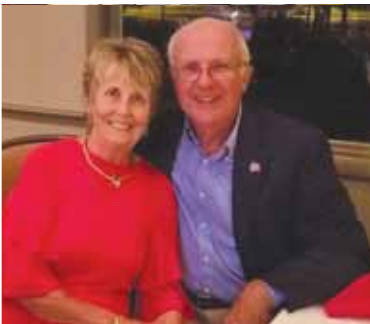

**Open Play** is Monday, Wednesday, Thursday, and Friday mornings at 9:00 a.m., and Monday and Wednesday afternoons at 3:00 p.m.
