GOLF & COUNTRY CLUB

JULY - SEPTEMBER 2018

## From the desk of . . . Maria Tuohy, General Manager

Dear Members,

Well it is hard to believe it is already mid-Summer! The Club's capital projects list continues to be busy with golf course renovations and improvements to Prestwick Clubhouse. The West course reopening is right around the corner and before we know it you will be enjoying a new experience at Prestwick, it is all so exciting.

The new shade structure at the tennis area has been a welcome addition and we will continue with landscape and hardscape improvements around the courts and wellness center. The addition of the cabana has certainly enhanced the overall pool experience. What a great spot to enjoy a refreshing drink and great food while at the pool or just stopping by for the fun.

The Food & Beverage team has created a calendar packed full of dining and social offerings featuring new menus, new theme events, new entertainment and movie nights. So mark your calendars and make your reservations early. Don't forget the children's activities going on, they love to have fun too, check out the photos in this edition, bet you can't help but smile.

In closing, please join me in extending a warm welcome to all of our new members. From all of the staff, thank you for your participation and support of the Club operations and I look forward to seeing you at the Club.

Sincerely,  
Maria Tuohy, General Manager

# Welcome

## From the desk of . . . Greg Brousse, Managing Director

Dear Plantation Bay Members,

As usual Plantation Bay is a very busy place in the summer.

In addition to 27 of the 45 holes of golf being renovated, we are also embarking on a lot of course beautification projects. At Westlake, lake views were opened up and vegetation cut back giving golfers a much more enjoyable and scenic trip around the course. At Prestwick, we have under brushed the corridors of every hole and have also created some amazing views, the best of which is from the newly designed 14th hole, it is simply beautiful. Prestwick is also enhancing the driving range experience by making the hitting area higher, larger and creating a new short game area. The back nine comfort station at Prestwick will be ready by the time the course opens back up which is scheduled for late September. In addition, both Prestwick and Westlake are having major bridge and cart path work done.

Along with the new teaching center and pool cabana, 45 holes of golf, two clubhouse, fitness center with two pools, great tennis program and a plethora of social events are what separate Plantation Bay from all the other communities – they simply don't have the amenities and all the fun we have.

I hope everyone has a great summer and we look forward to seeing you at the Club.

Sincerely,  
Gregory P. Brousse, Director of Operations

- The sponsoring Member must register a particular individual using the facilities of the Club as a guest with the Club.

From the desk of . . .  
**Chris Harder, Director of Golf**

Hello Plantation Bay members!

As the busy winter season winds down I would like to thank the membership for a fantastic season. We had a fantastic turnout for all of the Plantation Bay “Major” events, especially our Men’s Member Guest where we added 6 more teams due to demand! Member participation is what makes the club experience so much greater. I would also like to thank all of you who have supported our new teaching facility, as well as went thru fittings for new Callaway product. The Rouge driver has been a nice follow up to the wildly successful epic driver, and the Rouge X irons continue to be a smash hit for most of our members.

As the high season comes to an end I would like to congratulate our Spring Club Event winners:

**TURF TALK**

At this time the West Lake greens are about 95 percent covered with turf grass and bunkers are complete with new sand . We have started to mow and fertilize and looking forward to reopening west. This will then allow us to begin some of the cultural practices necessary to maintain the greens on the north and south. The most important practice being aerification. This will help us with the combatting any turf issues. We have also verticut the fairways which help us with scalping when we mow them and provide a better playing surface. We are also cleaning out around all the lakes on the west nine. All the cordgrasses have been cut back and will fill in with fresh new growth all over.

The Prestwick course is coming along fine. The course should be totally planted over the next few weeks (weather permitting). We have started to refurbish all the bunkers. All the sand and rocks are being removed and new sand is being added. We have made a few changes which I’m sure will make the course a better one. The most notable change being 14. You can now see the green from your drive and the landing area is much bigger. The hole is a much more player friendly one. The range has also been redone and is now bigger with a new practice bunker. Some of the tees have been made bigger and we have added several new ones.

Thanks again,  
 Bob Gruber

## PB NINERS

The Niners rounded out the 2017-2018 season with our Member-Member tournament, our annual championship, a year-end Margarita party hosted by Julia Kirwan and the election of new officers for the coming year. While rain precluded play for our Member-Guest tournament, in true Niner fashion we nonetheless enjoyed a fabulous luncheon with our guests.

Sandy Chambers and Nancy Gordon came out on top in the first flight of the Member-Member tournament, with Maureen Ford and Kathy Valentine taking first place in the second flight.

Nancy Gordon is the new Niners Champion, achieving the lowest gross score in the annual end-of-year tournament, with Barbara Underwood winning lowest gross in the second flight. Other winners: **Flight A: Pam Henderson**, 2nd low gross; **Kathie Walter**, 3rd low gross; **Sue Marquino**, 1st low net; **Janet Delaney**, 2nd low net; **Christy Moser**, 3rd low net.

**Flight B: Lois Pederson**, 2nd low gross; **Mary Crawford**, 3rd low gross; **Linda Young**, 1st low net; **Karen Luginbuhl**, 2nd low net; **Karla Morgan**, 3rd low net.

Kathie Walter, who has served as Niners President for two years, was honored with a custom commemorative Niners President jacket at the year-end business meeting. Officers elected for the 2018-2019 season are: Mary Crawford, President; Pam Henderson, Vice President; Kathy Valentine, Treasurer; Karla Morgan, Secretary.

*Mary Crawford, President*

## CDBWGA

During our Closing Day meeting, officers for the 2018-19 Season were elected. They are: President – Sonja Stutchfield; Vice-President – Arlene Peters; Secretary – Liz Berdoll; and Treasurer – Rose Schweitzer. Next year's Tournament Chair will be Katy Nass. The board will be meeting over the summer to plan the upcoming season's great events, so stay tuned!

We are playing informally, still on Thursdays, during the summer with tee times. Please sign up at the Pro Shop. And, if you are considering membership in our association, we would LOVE to have you. Our season officially begins in early October, but joining over the summer would give you a chance to meet, and play with, some of our (non-snowbird) members. Our Membership Chair, Irene Ragusa, can be reached at 386-313-6128 or IMRagusa314@gmail.com to give you all the details.

Happy summer golfing! - *Liz Berdoll, Secretary*

## PWWGA

Now that Prestwick is closed for renovation, we have been enjoying play at CDB on Tuesday mornings for the summer. Thank you to Pat Wilson and the staff at the CDB pro shop who put together a solid set of summer games for our members. The list of games is posted on the CDB bulletin board or can be requested by emailing Pat Wilson at pawwilson2011@yahoo.com.

Notice of sign-ups for PWGA Summer League play a week before each round is sent out through Golf Genius. PWGA players have been allotted five tee times, beginning at 7:52 a.m. Members who sign up should be on the lookout for assigned tee times the Monday before play. Members may also sign up for play by calling the CDB pro shop.

A special note to our new members: play in summer league games requires a \$3.00 payment per play, which is member billed. The money is used to pay winners for that week's game. The 2018-2019 season begins in October and payouts for winners during season play is covered by your dues payment, unless otherwise noted for special events.

PWGA sends warm regards to Dawn Laylock, who continues her work as Tournament Chair even as she cares for her husband, Mike. We wish the two of you all the very best, day in and day out.

*Susan Bayley,  
Prestwick Spokesperson*

## PBMGA

This Spring brought the successful culmination of our PBMGA Cup Series as well as our year-end luncheon. Congratulations to our winners, Ron Semko, Lee Aldridge and Dan Durack. The Board welcomes Ian Hill who will act as Treasurer while Jim St. John will assume the duties of Secretary, Wayne Luginbuhl and Ken Marquino will remain in their positions of V.P. and President.

On May 2, we took a road trip to Hammock Beach Resort, Ocean Course, which was attended by 48 members, who had an absolutely terrific day! Special thanks to Maria Tuohy, who was instrumental in helping us get access to this venue. We hope to do this trip again next year.

Going forward, we will be hosting our Summer Par 3 Tournament on Thursday, August 23, and will be looking at holding a two-man, 27-hole tourney in September based on the availability of the West Course. We also anticipate moving the Ryder Cup Tournament back a couple of weeks in October to make sure that we will have access to all 45 holes of golf.

*Ken Marquino, President*

## MEMBERSHIP NEWS

You should be receiving this newsletter just as you are celebrating Independence Day.

I can hardly believe July is already here: how time has flown! It looks like we are going to have a very warm summer, so get your swimsuits out and enjoy our beautiful pool and the new Cabana.

The kids are out of school and full of energy! There is much to do here at PBCC to keep them busy doing something healthy and entertaining during their summer break. Sign them up for our golf and tennis summer camps or arrange for private golf lessons with our team of Golf Pros or tennis lessons with Dave Brown, the Director of Tennis.

On the Membership front, I am happy to report that, well...it is booming! During the first half of the year, we welcomed 88 new memberships. Many of these members came from outside the Ormond Beach area and want to make friends, so if you happen to run into any new members, please introduce yourself, welcome them to our wonderful community and make them feel at home. Invite them to join a golf or tennis group or pickleball or bocce team. Let them know about the card games, mahjong groups, and the book club that they can join, if they're so inclined. PBCC has so many great activities that make it easy to meet people and make new friends.

A special reminder to our members: Please keep our Member Referral Program in mind while you are enjoying your summer. Extend an invitation to your family and friends to try our "Member for a Day" program when they come to visit you here during the year. We thank you for every referral and for being an advocate of the club.

I wish all of you a safe and happy summer.

*Janet Gallant, Membership Director*

On Thursday April 19th Anita and Ed Gentile accompanied Tini Gentile at the 2018 Senior Scholarship Ceremony.

Tini awarded Jessica Rodrigues with a scholarship for \$2,000, which was donated by Plantation Bay golfers and special friends for Tini's 100th birthday.

Jessica is a golfer, basketball and softball player who is continuing her education in the Air Force.

Special thanks to all our Plantation Bay friends who helped make this happen. God Bless.

## THE DROP SHOT

a "must have" shot in your game!

Have you noticed a lot of players (pros included) playing 'back' these days? New, more powerful racquets and strings allow more spin and speed to be hit off the groundstrokes, essentially taking the advantage away from the net player. Well, if players are camping out forever at the baseline, the "drop shot" is the perfect answer. The forecourt or front of the court closest to the net becomes the open court. Here's how to hit it:

- Start with a continental (hold like a hammer) grip
- Always start with the racquet head up
- With almost no backswing, bunt the ball softly bringing your racquet head under the ball guiding it gently over the net.
- Think in terms of a collision. If your racquet wins the collision the ball goes too far. So let the ball win the collision for a soft touch and a winning drop shot!
- Try hitting this shot with a partner or take the ball machine and practice until you are comfortable enough to use it in a game. ~ Good Luck!

## NEW TENNIS COMMITTEE FORMED

Many thanks go out to our volunteer members who have agreed to serve on our tennis committee. They are: **Vladimir and Gloria Prerad, Leon and Denise Reed, Sidni Hecox, Mary Kay Prout, Pat Connell, Robin Broadfield, and Lynn Henningsen.** They will help serve as club ambassadors, welcoming new and prospective members. They will help put together a social and activity calendar and generally serve as the eyes and ears of the members, offering suggestions to make our club even better. Thank you, volunteers!

## SUMMER CALENDAR - Dates that Rate

## MEMBER SPOTLIGHT

**Vladimir & Gloria Prerad** - were encouraged to come to this part of the Southeast by some good friends living in Grand Haven. When they drove into Plantation Bay they both had a good feeling about the community as they both love to play tennis and golf. Gloria retired from her career as a product coordinator for Jeppesen Sanderson, Inc., a company specializing in charts, maps, and planning solutions for Aviation. Vladimir is principal and part owner of United Hydrogen, a manufacturer of high quality gaseous & liquid bulk hydrogen. Their love of the community is fueled by the

many great friends they have made over the years, always there for one another. They recently volunteered to serve on the newly formed tennis committee.

## STRINGING

Now is a great time to restring and regrip. Get your racquet restrung with premium synthetic gut, high quality polyester or hybrid for \$42.00, and we will install a fresh new overgrip at no charge. What a great way to start another great season of tennis!

 Find us on **Facebook** See what's going on in tennis at Plantation Bay on Facebook. Just go to [www.facebook.com](http://www.facebook.com) and search "Plantation Bay Tennis." You will find pictures of all the latest goings-on in the world of tennis according to "Coach Dave."

Our Men's 3.0 GVTL team finished second this year among some very tough competition.

**Congratulations guys, on a great season!**

Summer is in full swing, and with the summer comes extreme temperatures and humidity. Please remember, proper hydration is critical in maintaining your workouts and regular routine. Just a few tips: do not wait until you are thirsty. The benchmark for good hydration is that you should not be thirsty at all if you are drinking enough over the course of a day. Also take into consideration your age, weight and activity level. As we age, we need more water because it is common to become less thirsty and because our kidneys cannot conserve the water we drink as well. Another rule of thumb is the color of your urine: it should be a light straw color. If it is darker, you need more water. During an activity, it is best to try to consume half a cup of water every 15 minutes, but also listen to your body, and do not chug to the point of upsetting your stomach. Be aware: the popular sports drinks have added or artificial sugars. Coconut water is an awesome natural sports drink alternative and contains a nice balance of electrolytes, sodium and potassium without the added sugars. Stay hydrated!

## AGING IS A NEW STAGE OF OPPORTUNITY AND STRENGTH! Keep moving and stay healthy!

Some key rules to longevity:

- Consistent cardiovascular exercise. A good goal is 8000 steps a day.
- Resistance training at least 2X per week. Develop a “fall” prevention plan.
- Eat a heart-healthy diet.
- Develop a stress-management plan. Get optimal sleep.
- Keep alcohol consumption light to moderate, and no smoking!

It is well known that many unfavorable physical and psychological conditions that occur with aging can be prevented or delayed in healthy adults with regular physical activity. Physical activity in older adults plays a major role in the prevention or risk reduction of heart disease, hypertension, osteoporosis, obesity, type 2 diabetes and abnormal cholesterol. Strength and flexibility exercises may prevent falls and injuries by improving balance and mobility.

The Wellness Center offers a variety of classes that incorporate cardiovascular, strength and flexibility exercises to help promote longevity, motivate participants to stay active, and provide socialization and support.

After all of your daily activity and efforts to stay healthy, remember that you may also need some serious pampering and relaxation. Get a relaxing massage, a beautifying facial, or special attention paid to your hands and feet, all available at the Wellness Center. Call to book your next appointment today!

## Have you tried Pickleball?

It is a combination of badminton, tennis and ping-pong. Come out and try it! Beginner's Clinic is offered the first Wednesday of each month 2:00-3:00 pm. Paddles and balls are supplied along with instruction on the rules and how the game is played. It is a sport for all ages and very easy to learn. Come out and enjoy the fun!

We had a **March Madness Mixed Tournament**. Take a peak at the winners and notice some of the creative outfits!

Following are some tips to improve your energy and your game. There are three parts of your body that will help you play your best:

**YOUR EYES** - The average pickleball point lasts about nine hits. Keeping your eyes in a state of "high focus" for those hits is key to playing better. The ability to track the ball both early and throughout each point will help you anticipate and trigger both movement and paddle preparation. When you are ready, you will react faster, move earlier to the ball, maintain your balance and hit better shots.

**YOUR FEET** - It is not necessary to keep bouncing on your toes throughout each point, but it is extremely helpful to slightly bend your knees so your weight is on the balls of your feet and not on your heels. You want to bend your knees just enough so that when you look down, your shoelaces are hidden by your knees. The more you move, the stronger and faster you will become.

**YOUR HANDS** - The grip on the paddle! Some extra firmness on block volleys is good to add more rebound speed, but in general, try to keep a relaxed grip whenever you are NOT hitting the ball and even a little more relaxed when you ARE hitting the ball. Holding the paddle with a more relaxed grip allows you to swing the paddle more quickly, producing more power. Faster hands mean you will handle shots more easily and be less intimidated by harder-hitting players.

**Remember, practice makes perfect! Good luck!**
