

# PLANTATION BAY

GOLF & COUNTRY CLUB

OCTOBER - DECEMBER 2018

## From the desk of . . . Maria Tuohy, General Manager

Dear Members,

Fall is quickly approaching along with the much anticipated reopening of Prestwick. We are very excited to showcase all of the changes and improvements made to the course, area landscaping and the Clubhouse. The opening festivities for the Ladies Member Guest tournament will be hosted at Prestwick so that your guests will have the opportunity to experience and enjoy a brand new course. The Skills Challenge and Welcome Party will kick things off on November 6 followed by the opening round on Wednesday and final round and awards held on Thursday at Club de Bonmont. Be sure to register early for this premier event not to be missed.

Our team has planned a very active calendar in the upcoming months for Social, Golf, Wellness Programs,

Tennis and Pickelball along with introducing new menu concepts for Dining to the growing list of options available to our members. As a reminder, dining events do sell out quickly and reservations are required early. If you are unable to keep your reservation please be mindful of the members who are on a wait list and notify the F & B team if your plans change.

In closing, please join me extending a warm welcome to all of our new members. On behalf of the staff, thank you for your participation and support of the Club operations and we look forward to seeing everyone at the Club.

Sincerely,  
Maria Tuohy,  
General Manager

# Welcome

## From the desk of . . . Greg Brousse, Managing Director

Dear Plantation Bay Members,

As usual there is lots going on in Plantation Bay. The biggest is the opening of Prestwick in late September.

On that note, I am very happy to report that the Prestwick Course is on schedule. The greens are almost completely grown in and the fairways aren't far behind. The bunkers have all been completed and look fantastic. With another month plus of good growing weather this course will be in wonderful condition when we reopen.

As if that wasn't enough, we are also making lots of improvements to the Prestwick Clubhouse that we are very excited about. In addition to new carpet, light fixtures and furniture, we are also upgrading the kitchen with some new equipment. As with the course, we can't wait to have all our members come enjoy.

The best news of all is that once Prestwick reopens, Plantation Bay will have all amenities up and running for all our members to enjoy. The Wellness, Tennis, Club de Bonmont course, Golf Teaching Center and parties at the Club will be in full swing

Lastly, I hope everyone is having a nice summer and staying cool. We look forward to seeing everyone at the Club.

Sincerely,

Hello Plantation Bay members,

We are turning over a new page in history at Plantation Bay. We now have 45 holes for our members to enjoy that have been renovated in the last 3 years! As our high season, kicks off we will again start rolling out the events our members love. The first event I want to remind everyone of is the second annual Battle of the Bay. This season long event was well received last year with 32 teams squaring off against each other and filled up quickly. Our other large event will take place in early November is our Ladies Member Guest. We will again be hosting our monthly mixer events at the newly renovated Prestwick course as well.

**CLUB CHAMPIONSHIP**  
 ★ NOVEMBER 30 - DECEMBER 1 ★

The Club Championship is open to all Plantation Bay Golf Members. There will be flighted play, so all handicaps are encouraged to participate.

**Contact the Pro Shop for details.**

We have recently aerified the greens on the north and south nines. This aerification will help with the recovery of the Fairy ring problem we have encountered. The aerification will open up the greens so the fungicides and water will penetrate into the greens instead of running off the surface. Some of the benefits of core aeration are:

1. The release of toxic gases from the soil
2. Improved wetting of dry or hydrophobic soils
3. Accelerated drying of persistent dry soils
4. Increased infiltration capacity, especially where surface compaction and or thatch limits infiltration
5. Stimulated root growth within the aerification holes
6. Increased shoot growth atop the aerification holes
7. Disruption of soil layers resulting from topdressing
8. Control of thatch , especially where soil cores are reincorporated or where topdressing follows coring
9. Improved turf grass response to fertilizers

In closing I would like to thank the members for the positive comments and would like to ask everyone to feel free to ask me any questions you have regarding the maintenance of the golf courses.

Thanks again,  
 Bob Gruber

## PLANTATION BAY NINERS

Attention Ladies: Whether you are new to golf or more experienced but looking for a relaxed environment to play just 9 holes, the Niners welcome you to join us. Our 2018-2019 season begins September 27th, and we play each Monday morning at Prestwick and each Thursday morning at CDB. We enjoy a relaxed 9-hole game and gather together for lunch afterward at the club. If you are interested in joining, please contact me at (703) 850-8371 or let one of the pros know. If you aren't sure, we invite you to give us a try – just come and join us one Monday or Thursday and see if we're a good fit for you.

We look forward to an exciting season highlighted by special events, starting with our Fall Sadie Hawkins Scramble on November 1. Invite a partner and enjoy a fun afternoon and evening of low-key golf, a great dinner and prizes. The Member-Guest tournament, our premier special event of the year, will be held this season in the fall rather than spring, on November 12.

*Mary Crawford,  
President*

## PWWGA

We look forward to the newly renovated golf course at Prestwick for our 2018-2019 Season. The PWGA Opening Day is on Tuesday, October 9. It will feature a game of two best net balls on even holes and one best net on odd holes, followed by our kick-off business meeting.

Looking forward to fall play, there are a number of tournaments that should attract many of our members. Check the upcoming golf calendar and events for the special play dates.

Let me introduce you to other members of the PWGA board:

Dawn Laylock, Tournament Chair; Diane Cody, Secretary  
Donna Reed, Treasurer; Debbie Zorn, Membership  
Pat Wilson\*, Ringers & Handicaps; Linda Cline, Sunshine  
Judy Nascimento, Pins; Kathie Walter, Outreach

I want to thank Pat Wilson and the CDB pro shop for overseeing league play this past summer. We look forward to seeing all our snowbirds and PWGA members in October let the fun begin!

*Susan Bayley,  
Prestwick Spokesperson*

## CDBWGA

Opening Day, scheduled for Thursday, October 4, is upon us! Our 2 Best Balls of your foursome event will be followed by lunch, and our Opening Day meeting, with league booklets distributed, and details shared about the upcoming season. So, please, MARK your calendars! Specifics will be sent via email. One notable change this season is our start time – we are returning to an 8:30 shotgun start, so you may need to set that alarm, too!

Tournament Chair, Katy Nass, has been busy, busy organizing weekly events and tournaments. Check the upcoming golf calendar and events for the special play dates.

Other weekly events are a combination of individual play, match play, and team games.

Interested in joining us? We would LOVE to have you! Membership applications are on our bulletin board at CDB. We play Thursdays at 8:30 AM. For more information, please contact Irene Ragusa, our Membership Chair, at [IMRagusa314@gmail.com](mailto:IMRagusa314@gmail.com).

See you on the course!  
*Liz Berdoll,  
Secretary*

## PLANTATION BAY MEN'S GOLF ASSOCIATION

As we prepare to greet our snowbird friends back, we look forward to our Fall Season, which will feature the start of the PBMGA Cup in early October. We greatly anticipate this year's Ryder Cup, which will utilize all 45 hole of golf here at PB. We will start on Wednesday October 17th thru the 19th culminating with the last round luncheon at CDB....The annual Turkey Shoot will take place November 14th and 15th and our Fall Par 3 Tournament will take place in early December as will our Holiday Party which is scheduled for Friday December 7th....

Congrats to Dave Yaris and Ian Hill who had hole in ones on member days, it had been almost a year and half since our last hole in one on a member day.

REMINDER: to all new residents of PB the PBMGA meets on Wednesday's at CDB and Thursday's at Prestwick.... Annual dues are \$45 ....A Great way to meet new people in your community....

*Ken Marquino,  
President*

## MEMBERSHIP NEWS

We are so happy to see all our snowbirds return to Plantation Bay Golf & Country Club. We had a great summer with the new Cabana Bar open and lots of action at the pool along with successful events at the club. ## DAVE'S TIP

### What are the five "P's"?

The five "P's" stand for "Proper Preparation Prevents Poor Performance". Although this acronym could apply to many things, here is how one might apply it to tennis:

- Prepare oneself physically. That's right, "get in shape!" We have state of the art facilities and great programs that are beneficial and fun!
- Practice skills. The more skills you have the more options you have to play and win
- Pre-match routines are part of every successful player. Some examples might include yoga, arriving early to do some dynamic stretches, light serving and hitting with a prearranged practice partner.
- Play with your partner a day or two before a match.
- Post-match analysis whether you win or lose. Pat yourself on the back for what you did well and resolve to improve what needs to get better. Good luck!!

### FALL CALENDAR - Dates that Rate

Oct. 26th	Halloween Tennis & Happy Hour	3:00 pm - 5:00 pm
Nov. 10th	Friendsgiving Tennis Party	3:00 pm - 5:00 pm
Dec. 15th	Holly Jolly Tennis Mixer	10:00 am - 12:00 pm

### JUNIOR TENNIS

Our After School program meets Tuesday, Thursday & most Saturdays. "Little Champs" (8 & under) 4 pm - 4:45 pm, "Futures" (10 & under) 5-6 pm, "Junior Development" (10 - 14 yrs) 6-7 pm.

Find us on Facebook See what's going on in tennis at Plantation Bay on Facebook. Just go to [www.facebook.com](http://www.facebook.com) and search "Plantation Bay Tennis." You will find pictures of all the latest goings-on in the world of tennis according to "Coach Dave."

## MEMBER SPOTLIGHT

**Ron & Sidni Hecox** recently moved into their new home on Southlake from a Del Webb community in Ponte Vedra. This talented, artsy couple, credits our staff, pros, and excellent programs as a few of the many reasons they chose to make Plantation Bay their home. Ron is retired military (Navy) and was heavily involved in Europe with the Partnership for Peace program. He was also a cryptologic officer (Captain) performing a wide range of tasks in support of the national intelligence-gathering effort. He's now into photography. Sidni, started work in the automotive industry, became a PGA apprentice, received a degree in floral design, and loves to sing and paint. You'll find Ron on any given day on our pickleball courts and Sidni on the tennis courts. Stop and say hello!

### STRINGING

Stringing-This is a great time to restring and regrip. Get your racquet restrung with premium synthetic gut, high quality polyester or hybrid for \$42.00 and we will install a fresh new overgrip at no charge. This is a great way to start another great season of tennis!

**Slice Girls Debut-** for gals a bit rusty for not playing much lately or gals fairly new to the game, the "slice girls" from our club, (not in any particular order) Maggie Denis, Pat Connell, Joan James, Becky Glennon, Susan Carrier, Eileen Brant, & Gloria Meek, got together with members of the Trails and Hammock Beach for some fun tennis and friendship that included lunch at our new Cabana Bar after tennis. If interested in joining this fun group, please contact Dave at 386-236-4292.

Summer is behind us and we are in the middle of fall. Remember, even with the cooler temperatures it is still important to stay hydrated. Make sure you drink plenty of water before, during and after your activities.

Let us Stand Up to Aging! G2S – Ground-to-Standing exercises. These exercises can help older exercisers preserve strength, improve agility and prevent hazardous falls. As we get older, getting up off the ground grows more difficult, muscle and bones weaken, coordination becomes less fluid and simple house hold chores become more challenging. G2S exercises can help to address these changes.

Aging has three fundamental markers – dynapenia (loss of muscle strength), sarcopenia (loss of muscle mass) and decreased lean body mass (loss of muscle, bone and connective tissue). These changes are what makes it more challenging for movement efficiently and effectively in three dimensions: direction, distance and depth. The benefits of doing G2S drills help improve performance in daily living skills, slows the impact of sarcopenia and dynapenia, increases bone and tissue density, improves balance and helps prevent falls. The exercises should be preformed daily and progress simple to more difficult. Here are the names of the exercises: Tall Kneeling Step to Stand, Crisscross Applesauce Spin, Supine Roll to Inchworm, Prone to Stand to Statue, and Sidelying Crossover to Forward Lunge. Pictures are Available @Wellness Center if you are interested.

A strong skeleton is as important as a healthy heart. Bone loss is also a normal part of aging. It is important for us to develop a plan to prevent unnecessary bone loss. Here are some bone basics: calcium, vitamin D and physical activity are critical to preserving and building bone mass, walking has limited effect on bone health, progressive resistance training helps maintain and improve bone mineral density, high impact activities help the most with bone growth, posture and balance training are essential to fall prevention and women over 50 have the highest risk of osteoporosis and fractures. Walking is often the top recommendation for osteoporosis, however, it does have limitations, but if combined with resistance training the benefits are much greater.

As we age, skin, nail and massage are also important parts of your overall health and well-being. The Wellness center provides a multitude of services to meet any or all of these. Call today to book your next appointment.

**PickleBall – It is a great game.** It makes us smile, laugh, creates memories and provides the opportunity for long lasting friendships. If you are not familiar – it is a combination of badminton, tennis and ping pong. A Beginner’s clinic is offered on the first Wednesday of each month 2:00-3:00. Paddles and ball are supplied along with instruction on the rules and how the game is played. Pickleball is easy to learn and a sport for all ages. Our Pro-Shop also has paddles and balls for sale. Not sure, which is the best for you? We do offer demo paddles for you to try before you purchase.

**Are you a Successful Lobber?** Think about the **7 “W”s** of Lobbing?

**Why** you would use a Lob? – Use it as an offensive weapon that is difficult to run down or will only allow your opponent to return it with a weak smash or return.

**Who** are you playing? Consider the skill level of your players – are they athletic and quick or are they older and have less mobility?

**Where** are your opponents located? If they are close to the kitchen and leaning forward this is a good time, if they are a few steps behind the kitchen – not the best opportunity.

**Where** is your location on the court? It is best to lob when you are close to the kitchen or just a few steps behind. Lobbing from the base line or behind can be iffy - this allows your opponent time to move into position to hit an aggressive smash. Also – do not lob from behind the baseline and when your partner is at the net – this makes your partner a perfect target!

**Where** are your opponents moving to? Are they moving or leaning forward? You could catch them by surprise by throwing up a lob. If they are moving back a few steps, you might end up getting your lob smashed right at your feet.

**Which** shoulder are you lobbing over? There is a chance your lob will be more successful if you can lob the ball over your opponents backhand shoulder.

**Wind** – Wind direction is an important factor when playing outdoors. Next time you are playing just give these W’s some consideration. See how you do.
