

Skin Renewal Therapies (cont.)

Ezzilift

A tool designed to strengthen the muscles in the face. It stimulates collagen and elasticity by using intense micro currents. The procedure is pain free and has immediate results. It is best combined with a facial. Individual lifts should be done in a series of 3-6.

Individual	\$50
With facial	\$115
Series of 3	\$330

LED Light Therapy

Uses different colors of light to energize and stimulate the body's natural process. It firms and tones tired aging skin, increases elasticity, and captures a radiant glow. It can be combined with peels and Ezzilift for more dramatic result.

Important Information

- **Gift Certificates** are available in any denomination for spa services.
- **New clients** please arrive 10 minutes prior to your appointment to allow time to complete paperwork. **Arriving late** to an appointment could reduce your treatment time, but adjustments will not be made to the pricing.
- **Gratuuity is not included in any service and is left to your discretion**; as a guideline, 15-20% gratuity is customary for exemplary service.
- Therapists are available during operating hours; however, appointment times vary.
- **Some skin and/or health conditions may exclude some individuals from certain services.**
- Appointments are reserved specifically for you. We **require cancellation notice from you 24 hrs in advance**; this applies to rescheduling an appt.
- **Cancellation fees** of 50 % of the service are enforced with less than 24 hours notice; all no-shows will be charged 100 % of the scheduled fee.

Plantation Bay proudly uses Eve Taylor skin care. All products are non-comedogenic, contain no mineral oils, SD alcohols, synthesized oils, parabens, artificial additives, nor are they animal tested.

Massage Therapy

Relaxation Massage

In this session the client will experience a light, gentle touch with long strokes that improve blood and lymph circulation. A great session for reducing stress and prompting relaxation.

30 minutes	\$40
60 minutes	\$70
90 minutes	\$95

Therapeutic Massage

The term "therapeutic" is an umbrella term that covers modalities such as "Deep Tissue, Pain Management, Neuromuscular & Sports Massage." A customized approach is used and a client's specific issues are addressed for which the therapist may use multiple massage modalities. The entire session may be focused on a targeted area(s) of the body to accomplish the desired outcome. A series of sessions may be required to alleviate the cause of symptoms.*

30 minutes	\$50
60 minutes	\$80
90 minutes	\$110

**Discounted packages are available*

Medical Massage

In this session, a whole-body clinical approach is used to address the origin of the client's pain. A consultative interview approach between the client and the therapist is key to ascertain cause and effect of symptoms. Multiple massage modalities are incorporated in the session. Vibration and the use of the Dolphin Neurostim** are available for treatment enhancement. Conditions that are treated include, but are not limited to:

- Back Pain
- Neck & Shoulder Pain
- Fibromyalgia
- Chronic Headaches
- Golfer & Tennis Elbow
- Sciatica
- Plantar Fasciitis
- Arthritis
- Neuropathy

Medical Massage (cont.) Normally a series of sessions are required to address and accomplish long-lasting pain relief.*

60 minutes	\$85
------------	------

**Discounted packages are available.*

****Dolphin Neurostim** is a hand-held microcurrent point stimulation device similar to a TENS unit; specifically designed for temporary muscular pain relief.

Massage with CBD (cannabinoid, the non-psychoactive component found in a cannabis plant) Any massage using 800 mg of CBD topical. Benefits include muscle pain relief, increased relaxation and reduction of inflammation.

Add on to any massage:	\$10
------------------------	------

Reflexology

Also known as zone therapy. Reflexology is an alternative practice. Eastern medicine has recognized charts of feet and hands which are believed to correspond with organs in the "zones" of the body that are treated through application of various degrees of pressure.

30 minutes	\$45
60 minutes	\$65

Hot Stone Massage

In this session, warm basalt stones are placed on the nerve centers to relax and warm the muscles. The warm stones enhance the therapeutic release of muscle strain and tension. The therapist also uses the stones to massage with during the session.

90 minutes	\$110
