TOURNAMENT PROGRAM

Mission:

To promote the game of golf in a professional, fun tournament setting, while keeping the spirit of competition alive.

Eligibility:

Open to all active, full golf members. Certain events will have an age requirement; one exception is our Club Championship.

There must be 8 or more players to be considered a flight.

You must have an active USGA GHIN handicap for all member events.

Handicap cut-off will vary for each event and this date will be posted at the time of event announcements.

Registration:

All registration dates will be posted approximately 30 days before the tournament date except for the Member Guest events which are posted approximately three months in advance. Each event will have a registration deadline. Some events will be limited to a certain number of players, once that number is reached, all others will be on a waitlist.

Cancellations:

All cancellations must be made **prior** to the deadline. Anyone withdrawing from an event after the deadline will be charged applicable fees.

We ask that you respect these events and sign up or cancel in a timely manner, so we do not inconvenience other players.

Cost: The cost of the events will vary according to the amenities offered. All events that include food and beverages will be plus tax.

Tees: For all club golf events, ladies will play red tees and men will play their default tees. These are the tees that are played most frequently. Age plus handicap may qualify someone for different tees during certain events.

All events will have applicable cart fee charges.
